

The Barn at Brynich

Your Ceremony

On your wedding day you will have the choice of having either a religious or civil ceremony. If you decide to have a civil ceremony then you are able to do so in the Barn itself. This will cost an additional £400 in addition to your venue hire charge. Information about who you need to contact is given below. If you decide you would prefer a religious wedding, and you do not have a church in mind, then the list below should help.

Civil Ceremonies at the Barn

If you are having your civil ceremony in the Barn then you will need to make sure that you have agreed the time and date with the local registrar. Their diaries are often quite full, so the earlier in your planning you do this, the better. You don't have a list of different registrars to choose from, so you if the Superintendent Registrar can't fit you in, then you can't get married on that day. It is worth sorting that out as early as possible.
