

The Barn at Brynich

Thank you for enquiring about a wedding at Brynich. Please note that a booking is only confirmed once we have received your deposit payment. We are only able to hold provisional bookings for a short time. If we do not receive your deposit within 3 weeks of your initial booking then your booking will automatically drop off our system. We hope this does not cause any inconvenience.

Suppliers and Contacts for weddings

To help make your wedding planning simpler we are able to provide a list of local companies who can supply the various elements for your wedding day. The majority of these companies are familiar with the layout of Brynich. You just make the decisions, and they will do the rest!

We are happy to discuss any issues regarding the different suppliers before you liaise directly with them. Also, if following your wedding you would like to recommend other suppliers, or make a comment about our existing list then we would be happy to hear from you.

Catering

The food will be a big part of your wedding day. We are happy for you to have any style of food that suits you. You should think about what you really want to make your day special. The suppliers in the list below can quote you on a variety of different styles and budgets and we are sure you will find something to suit you in this list. However you are more than welcome to use a caterer that is not on our list as long as they provide us with a copy of their Public Liability Insurance.

When getting quotes you should make sure that the caterers are also providing staff, cutlery and crockery for your day.

Crockery

The Caterer will supply the majority of the crockery for your wedding, but there will be instances where you will need to hire crockery. This will apply to large weddings, or where your catering needs are very specific. One of the staff here at Brynich can discuss this with you once you have decided on the details of your day. It is always worth speaking with your caterer, as they may bring crockery and include it in your food quote.

Marquees

You may wish to hire a marquee for your wedding day. If you are having more than 64 people for your main sit-down dinner you will certainly need to consider it. We have an area set aside for marquees on our lawn; it is large enough to accommodate a marquee for 150 people. Again, discussing numbers with one of us here at Brynich is always a good idea before booking any extras. You may not need a full sized marquee, but like the idea of having a small covered area immediately outside the barn for extra 'spilling out' space in the evening. Either way, the companies listed below will be able to help you. Any furniture required inside the marquee will also be provided by the marquee company - so make sure you ask them to quote for tables and chairs as well.

Photographers

Some of the photographers listed below have already been to the Barn at Brynich. This often helps in the planning stages. If you have already chosen a photographer, and they have not yet visited Brynich, then it is definitely worth you bringing them to the Barn in advance. That way you can start to plan where you would like your pictures taken before the big day.

PA Systems

Inside the Barn there is a speaker system. If you wish to play music from an i-pod through the system then you are more than welcome to do this. If some reason you require an additional PA system - perhaps for speeches or during your civil ceremony we have a wireless microphone available. If you require something greater then the company below will hire one to you.

Music for your day

You will more than likely want music at some point during your day. You might like live music during your ceremony, or to entertain your guests while they have their arrival drinks, or maybe to get the party going in the evening. This list below will hopefully help you. Please note that bands will need Public Liability Insurance. If they don't already have a certificate then it is possible for you to apply for one on their behalf on-line for a small fee.

Hair & Beauty

The list below includes a number of hair and beauty providers who can come to you on the morning of the wedding. It is usually best to call and discuss. As well as hair dressers in the area, we have also included details about 'The Retreat'. They can arrange pampering parties for the bride and her bridesmaids at Brynich the day before the wedding. They offer a range of packages that they are always happy to discuss with you.

Your Civil Ceremony

If you are having your civil ceremony in the Barn then you will need to make sure that you have agreed the time and date with the local registrar. Their diaries are often quite full, so the earlier in your planning you do this, the better. You don't have a list of different registrars to choose from, so you if the Superintendent Registrar can't fit you in, then you can't get married on that day. It is worth sorting that out as early as possible.

Superintendent Registrar

Y Gwalia, Ilthon Rd, Llandrindod Wells, LD1 6AA

Tel: 01597 827468 or 0845 6027038

Email: ceremony.admin@powys.gov.uk

The team are very helpful, and will be able to explain all the stages, and chat to you about readings and the format of your ceremony.

Wedding blessings

If you are getting married abroad, are from different faiths or are having a civil ceremony that you feel would be made more special by having a more spiritual blessing then you are able to do so at the Barn. What ever your reason, Jenny Joice can offer you a beautiful service tailored to your needs.
